Dear parents and carers,

On Thursday November 7th, we will be having a display of fireworks for all sections of the 18th company. This will take place at approximately 6:30pm so as not too late for anchor boys. All family members will be welcome to attend but as our costs are rising we would like to ask for donations from parents (suggestion £1 each additional person). We feel this is still great value for money and everyone will get food and fireworks. Company boys are reminded that their section will be at the usual time and that once the fireworks have finished to occupy themselves quietly in the foyer as normal. Safety will be paramount at this event and no person will be allowed near fireworks unless authorised to do so. Anyone bringing any fireworks will be asked to hand them to the officers lighting them. A cordon will be in place in the car park area to ensure that no cars are damaged by fireworks landing. There will be no sparklers as we feel they are not safe in groups. We hope that this will be fun for everybody and a safe way of enjoying bonfire night.

The BB Team
